Nous disposons cette année de 37 semaines.  
 Circulaire 9720 : Nous avons l'obligation d'assurer au moins 90 % des cours. "Si des séances de cours sont annulées (congés, suspensions, absences non remplacées du chargé de cours), au minimum 90 % des périodes doivent être assurées. Si nécessaire, la fin de l'unité sera reportée."  
 On peut aller au-delà de l'heure de fin indiquée, mais pas en-deçà. "Il est impératif de respecter ces exigences, car elles déterminent notamment l'accès au financement !"
